# THE PRESIDENTIAL ELECTION PROCESS

### The Electoral College

- This group consists of 538 members
- They cast their ballots according to the will of the citizens of the state they represent as expressed in the general election
- Electoral votes are sealed and sent to Washington, D.C.

### National Conventions

- Delegates from different states gather to finalize each political party's choice of a presidential candidate
- The winner chooses a running mate to be the candidate for the vice presidency

### Presidential Election

- Held in November
- Occurs every four years

### General Election

- Citizens who are registered to vote cast their secret ballots for a presidential candidate
- These ballots determine how many electoral votes a candidate receives
