### **DR. JEAN SONGS INSPIRE NEW CREATIVE TEACHING PRESS BOOK SERIES**

HUNTINGTON BEACH, Calif., January 11, 2008 — Creative Teaching Press announces the release of *Sing Along & Read Along with Dr. Jean*, a series of 12-books for grades PreK-1 and a CD of the songs upon which the stories are based.

*Sing Along & Read Along with Dr. Jean* books and companion CD make beginning reading and early childhood themes fun to learn. Each whimsical story in this collection is derived from one of 12 popular Dr. Jean songs. The books and songs lay a foundation for fluency by developing oral language, alphabet recognition and print knowledge. Educators and parents can use the books in conjunction with the CD to allow children to listen to the story, or invite them to read along or sing along for a multisensory learning experience.

"Music is a magical way to connect with children and to help them learn. They'll have so much fun singing along that they won't even realize they are learning numbers, letters, sounds, rhymes, and other skills and concepts," said author Dr. Jean Feldman. "The more you sing, the happier you will be, so this series is a wonderful way to put a smile on children's faces, a book in their hands, and a song in their hearts!"

The following story/song titles are featured in this collection: *Color Train, Action Alphabet, Rules Rap, Nursery Rhyme Rally, I Know an Old Lady Who Swallowed a One, My Mother Is a Baker, Five Little Monkeys, Dinosaur Boogie, Birdies, May There Always Be Sunshine, Twinkle Friends, and My Hands on My Head.*

*Sing Along & Read Along with Dr. Jean* will be available in January 2008. Each book features 12 pages each and sells for \$2.99 and the companion CD sells for \$14.99. Educators and parents can visit the Creative Teaching Press website at [www.creativeteaching.com](http://www.creativeteaching.com) for more information.

#### About Creative Teaching Press

Creative Teaching Press is a family-owned and teacher-managed supplemental educational publisher of resources for grades PreK-8.
