

Back-to-School Decor and More

Gear up for a great year with new teaching tools like these!

Chocolate Pink Create & Decorate

Color-coordinate your classroom with this new variety pack! It includes large, medium, and small **graphics** plus accent pieces to help brighten centers, bulletin boards, job charts, and much more. All grades, \$10.99. Frog Street Press, Inc.; (800) 884-3764; www.frogstreetpress.com.

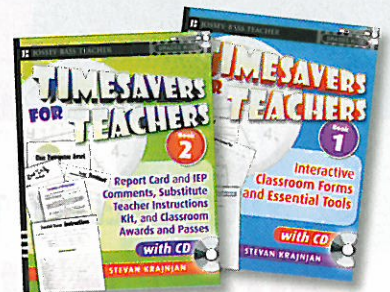

The Ultimate Pocket Chart

What makes this **pocket chart** different? It's large, clear, can hold all kinds of images, and has ten rows of pockets on both front and back. The specially designed inserts provide two different background images for interactive lessons. All ages; \$39.99 for the chart, \$8.99 for each set of inserts. Teacher Created Resources, (800) 662-4321, www.teachercreated.com.

Timesavers for Teachers

These **book and CD sets** provide reproducible forms designed to save you time! You'll find lesson plan templates, weekly goals, to-do lists, IEP questionnaires, and more. You can use the CD to modify, save, and print. Grades K-12, \$32.95. Jossey-Bass, www.josseybass.com.

Learning Decor

Go easy on the earth! These products are made with up to 40 percent post-consumer recycled materials. Choose from **bulletin boards, charts, designer letters for headlines**, and more. PreK-grade 8; \$0.80-\$24.90 each. Creative Teaching Press, (800) 287-8879, www.creativeteaching.com/gogreen.

Cricut Expression

For classroom decor, teaching aids, lesson plans, bulletin boards, and creative play, this machine makes the cut. At the touch of a button, you can cut paper, cardstock, poster board, and other materials. For teacher use; through September 4, buy ten Cricut cartridges for \$399 and get a free Cricut Expression machine. Provo Craft, www.cricut.com/education.
