**GALLOPADE INTERNATIONAL** publishes three new Carole Marsh Mysteries on September 1, 2009. The Mission Possible Mystery at Space Center Houston and The Madcap Mystery of the Missing Liberty Bell are books 27 and 28 in the award-winning Real Kids! Real Places! series, and The Breathtaking Mystery on Mount Everest is book 14 in the Around the World in 80 Mysteries! series. Call your sales representative at 800-536-2438 for more information about these three new Carole Marsh titles.

**GRASSHOPPER® PRESCHOOL** is pleased to announce the release of three new play-centered skill building kits designed for children ages 3-5. Getting Our Hands Ready, Ready to Cut ABC's and Simple Shapes are all packed with exclusive activities, products and an illustrated guidebook that will engage a child and an adult in a fun, hands-on approach to learning. Each of the activities were carefully developed and designed by Rachel Rudman MSOTR/L, a licensed occupational therapist with an advanced specialty in Pediatrics. The activities are placed in a specific order so each skill gained is a building block to the next activity. The philosophy behind the kits is a 'back to basics' approach to learning through play. There are no workbooks, no pencils, and no electronics....all fun! All materials necessary to complete the activities are included in these brightly designed durable plastic kits. The program gives parents, caregivers, and educators the tools to give children a sense of confidence when entering into the world of education. For more information, contact [www.GrasshopperPreschool.com](http://www.GrasshopperPreschool.com).
