Dear CTP editors,

We are in the blue literacy group in Mrs. Shimmick's second grade 

at Heritage Elementary. We have been making instant books from

your new books about **contractions**, **homophones**, **antonyms**, and

synonyms. We liked making the word wallet books the best.

From the **first** to the **last** the books have been **enjoyable** and

fun. **We've** done our best and learned a lot. If you want us to

make some more books let us **hear** from you. **We'll** be **here** in 

second grade.
