

Title V, Part A—Innovative Programs

Goal:

- To support state and local efforts to implement effective education reform programs, and provide a continuing source of innovation and educational improvement.
- To help meet the needs of at-risk and high-needs students and support programs to improve school, student and teacher performance.

Use of Funds

Implement effective educational reform programs and school improvement programs, which rely on scientifically based research.
Activities that provide a continuing source of innovation and educational improvement to meet educational needs of all students, including at-risk youths.
Support programs that provide library services and instructional and media material to students.
Develop and implement education programs to improve school, student, and teacher performance.
