

# Halloween Feet

## Directions

1. Copy a class set of the Halloween Feet reproducible on card stock.
2. Give the reproducibles to the children, and ask them to decide which set of creepy "toes" they want to use on their Halloween "feet." Have them cut apart their chosen pieces.
3. Have each child paint two tissue boxes.
4. When the paint is dry, invite children to use foam paper or construction paper scraps and other decorative materials to decorate their boxes.
5. Have children glue the tabs of their paper toes to the end of their boxes and then put on their Halloween "feet"!
