

Leaf People

Materials

- white construction paper
- assortment of large, fresh leaves
- flowers, twigs, bark, vines, and other natural materials
- crayons or markers

Directions

1. Give each child a piece of construction paper.
2. Invite children to choose a leaf and glue it to the center of their paper.
3. Ask them to use crayons or markers, or flowers or other natural materials to add features such as a face, arms, legs, hands, and feet to their leaf and paper to create a "leaf person."
4. Encourage children to name their leaf person and write an alliterative sentence about it at the bottom of their paper.
