

Thanksgiving Accordion Book

Materials:

Read! Write! Publish! resource book (CTP 2323)

Handprint Two-Color Super Cut-Outs (CTP 4866)

construction paper

crayons or markers

glue

wiggly eyes

scissors

Directions:

1. Have students fold construction paper in half lengthwise.
2. Then, have students fold the paper accordion style into equal parts.
3. To make a front cover, illustrate a turkey face by attaching a head, the eyes and a beak and wattle made from construction paper.
4. To create the back cover, glue the Handprint Two-color Super Cut-Outs to represent tail feathers.
5. Have students write about what they are thankful for on the segments.

Tip:

Having students create their own books stimulates an interest in writing and fosters a lifelong love of reading!
