

## What's in Your Garden?

### Materials:

Vegetables Designer Cut-Outs (CTP 3878)

construction paper

crayons or markers

glue

sandpaper

stapler

### Directions:

1. Overlap three sheets of 8½" x 11" paper leaving a 1" margin at the bottom of each page.
2. Hold the pages securely so they remain overlapped, and fold.
3. Staple through all layers next to the fold.
4. Write the title on the outside of the top page, or make a separate cover. Write a sentence frame on each page of the book, and glue one of the Vegetable Designer Cut-Outs to each page.
5. Have children fill in the blank on each page based on the sentence and the vegetable shown.

### Tip:

Use sandpaper on the front cover to simulate the vegetables' soil.
