

Flash Cards

Materials:

Poppin' Patterns Cards Designer Cut-Outs (CTP 3870)

Blue Large 1¼" Ring-Its!® (CTP 1715)

paper (optional)

glue

scissors

hole-punch

Directions:

1. Use a computer and print the text on paper and glue, or write flash card text directly on Poppin' Pattern Cards Designer Cut-Outs.
2. Hole-punch the corner of the cards.
3. Use Blue Large 1¼" Ring-Its!® to bind the cards together.

Tip:

Ring-Its!® are great for binding flash cards! They won't pinch fingers and they won't come apart, keeping your flash cards in one place.
