

Learning Center

Materials:

Measurement: Length, Weight, Volume, and Temperature Mini Bulletin Board Set (CTP 4694)

Red & White Team Spirit Border (CTP 6466)

colored paper

paper clips

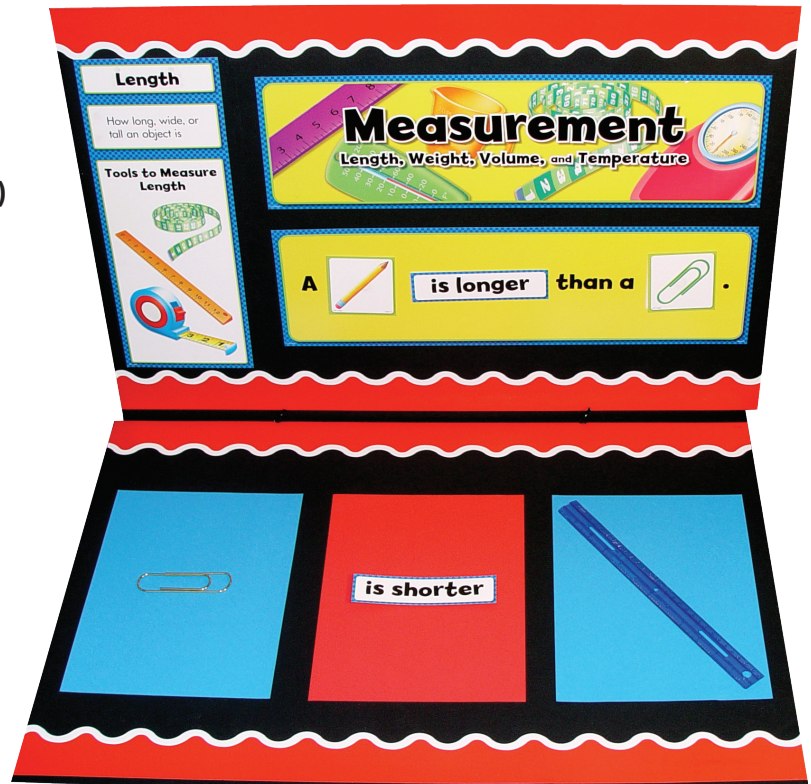

ruler

recording sheets

crayons

Directions:

1. Separate the bulletin board pieces.
2. Create a bulletin board display using the bulletin board set, the red & white border, and colored paper as shown.
3. Encourage students to construct comparative statements about two items using either the pieces in the set or the actual items depicted in the picture cards (such as ruler or paper clip).
4. Provide recording sheets for students to draw the picture cards and write the comparative statement.

Tip:

Laminate the bulletin board pieces for durability.
