

Clouds Flash Cards

Materials:

Clouds Designer Cut-Outs (CTP 1781)

Blue Large 1¼" Ring-Its!® (CTP 1715)

computer paper

glue

markers

scissors

Directions:

1. Write flash card text directly on Clouds Designer Cut-Outs, or use a computer to print the text and glue it to the cut-outs.
2. Hole-punch the corner of the Designer Cut-Outs.
3. Use Blue Large 1¼" Ring-Its!® fastener to bind the cards together.

Tip:

Ring-Its!® are great for binding flash cards! They won't pinch fingers and they won't come apart, ensuring that your flash cards stay together.
