

Student Pennant

Materials:

Team Spirit Letter Stickers
(CTP 4616 – CTP 4621)

construction paper or felt

craft stick

glue

scissors

Directions:

1. Cut the construction paper or felt into an elongated, pennant-shaped triangle.
2. Glue the craft stick to the back of the pennant.
3. Using the letter stickers that best represent your school, college, or other organization, write out your message on the front of the pennant.
4. On the back of the pennant, encourage children to elaborate on the message that appears on the front.

Tip:

For great project ideas that are motivating and challenging, check out *Alternatives to Worksheets* (CTP 3322).
