

## Colored Leaves

### Materials:

*Phonemic Awareness Songs & Rhymes: Fall*  
resource book (CTP 2340)

Colored Leaves song (page 75)

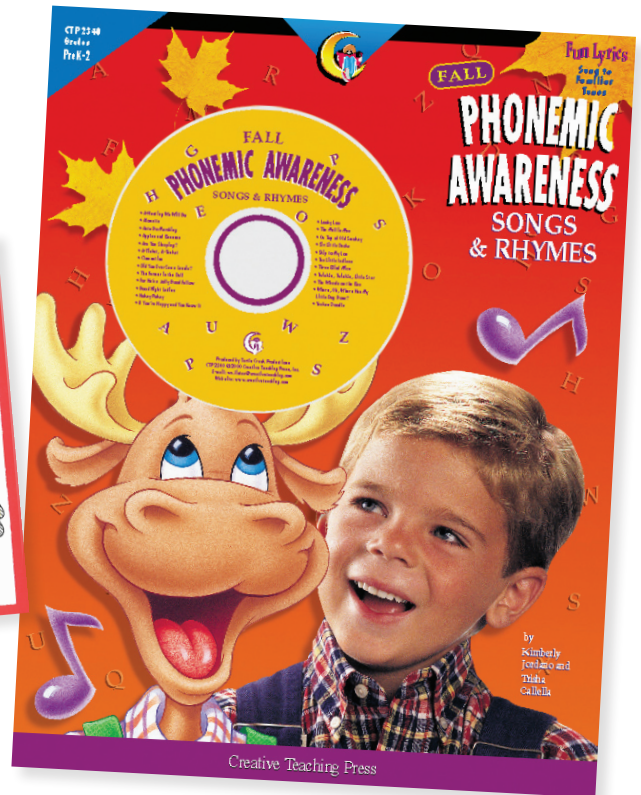

leaf shapes in various colors

scissors

### Directions:

1. Cut out leaf shapes in several colors and distribute one leaf to each student.
2. Sing "Colored Leaves" with your class. Ask students to hold up their leaf when you say a word that rhymes with its color. For a greater challenge, invite student volunteers to say a word that rhymes with a color, and have the class respond by holding up the rhyming leaf color.

### Tip:

Sing the colored leaves song to the tune of "Six Little Ducks".
