

Reduce, Reuse, Recycle Discussion Cards

Materials:

Take Care of the Earth
Designer Cut-Outs (CTP 6236)

craft sticks

crayons

glue

magazines

scissors

Directions:

1. To reinforce conservation methods, have students cut pictures of related items from magazines and glue them to the back of the Take Care of the Earth Designer Cut-Outs.
2. Next, assist children as they glue a craft stick to the back of the cut-out.
3. Encourage children to take turns discussing how the image relates to the concepts of reduce, reuse, or recycle.

Tip:

Display the pieces from the Reduce, Reuse, Recycle Mini Bulletin Board set (CTP 4705) on a bulletin board or pocket chart. Use the pieces to reinforce the concept of conserving natural resources.
