

Reading First (districts apply through State Education Agencies)

Goal: To ensure that every child can read at grade level or above by the end of third grade through the implementation of instructional programs and professional development.

What/Who It's For:

- Grades K–3 educators
- Training for special education K–12 students in schools identified for improvement

Use of Funds

A high-quality reading program that includes instructional content intervention based on the five essential components of reading instruction: phonemic awareness, phonics, fluency, vocabulary, and text comprehension
Rigorous screening, diagnostic, and classroom-based instructional assessments that measure progress in the essential components of reading instruction
Implementation of instructional materials and interventions , including educational technology such as software and digital curricula
Professional development for K–3 teachers and K–12 special education teachers that will prepare them in the five essential components of reading instruction and use assessment data (state may set aside up to 20% may be used towards PD)
Collection and summary of valid and reliable data to document the effectiveness of Reading First and professional development
