

## One More Game

### Materials:

*I Have, Who Has?* Math, Gr. 1-2 book (CTP 2219)

Poppin' Patterns Dots Designer Cut-Outs (CTP 3869)

4" Black Designer Numbers (CTP 6579)

craft sticks

glue

scissors

### Directions:

1. Copy a set of the game cards from the book, cut them apart, and glue them to the blank side of the Poppin' Patterns Dots Designer Cut-Outs.
2. On the front side of the cut-outs, glue the Black Designer Numbers that correspond with the answer. Then glue each cut-out to a craft stick.
3. Pass out the number wands to the students.
4. Have the student with the first card begin the game by saying *I have the first card. Who has...?* Continue to play the game until the person with the last card reads, *I have...Who has the first card?*

### Tip:

Redistribute the games cards, and have students repeat the game. Children develop mastery and confidence through repeated play.
