

Rudie the Reindeer

Materials:

Book Cooks (CTP 2270)

caramel
cherries
chocolate kisses
measuring spoon
paper plate
plastic knife
pretzels
rice cake

Directions:

1. Make copies of the recipe cards on page 92 of *Book Cooks* or see second page of this document, and cut the cards.
2. Place the cards on the table along with the ingredients in the order they will be used. Have students follow the recipe together as a class or in small groups to practice measuring skills.
3. Invite children to spread 1 tablespoon caramel sauce on a rice cake. Then have them add 2 chocolate kisses to make “eyes”, 2 pretzels to make “antlers”, and a cherry in the middle to make a “nose.”
4. Once the recipe is complete, place the following lyrics on an overhead projector and have everyone chant rhythmically.

*Spread a little caramel
On a crunchy cake
Add two kisses for his eyes.
Two pretzels make the antlers,
And a cherry for his nose...
What a wonderful...surprise!*

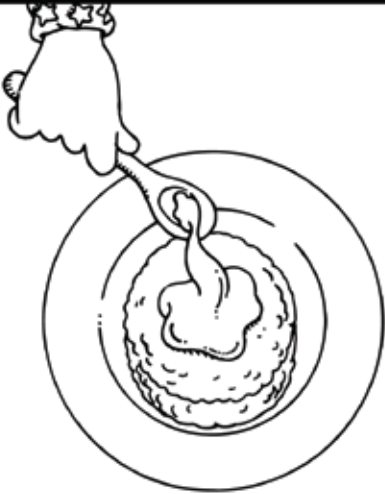

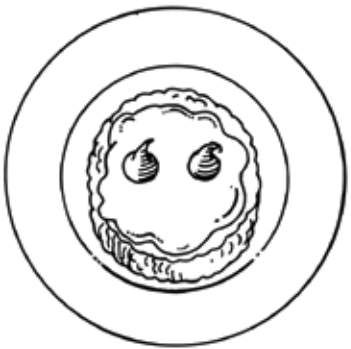

Tip:

Check each child’s record for food allergies. Substitute ingredients when necessary.
