

A-Counting We Will Go

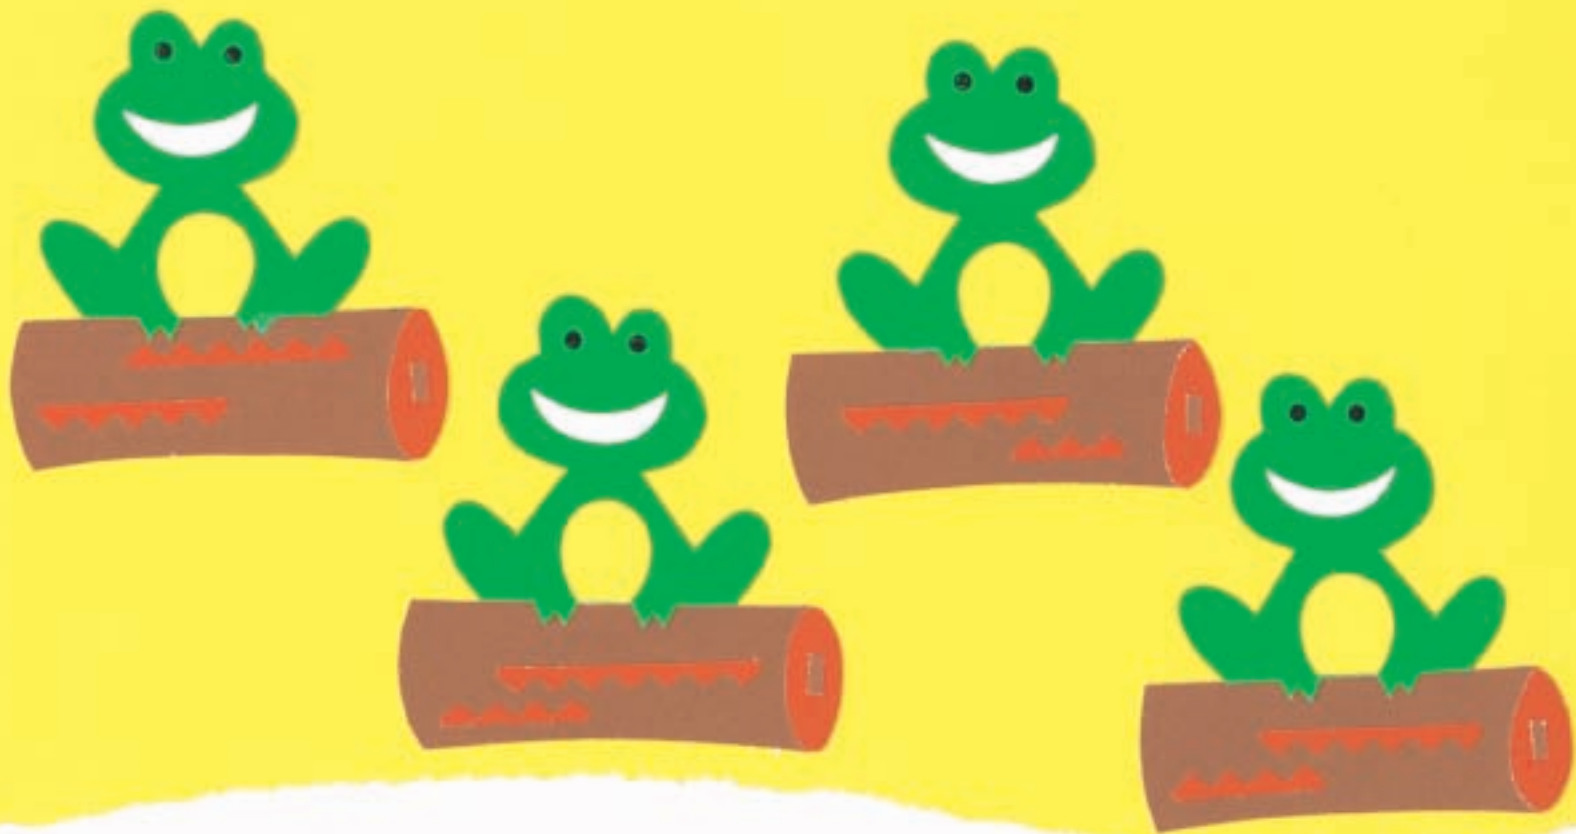

Oh, a-counting we will go,
A-counting we will go.

We'll count the bugs
And put them on rugs,
And then we'll let them go!

Oh, a-counting we will go,
A-counting we will go.

We'll count the frogs
And put them on logs,
And then we'll let them go!

Oh, a-counting we will go,
A-counting we will go.

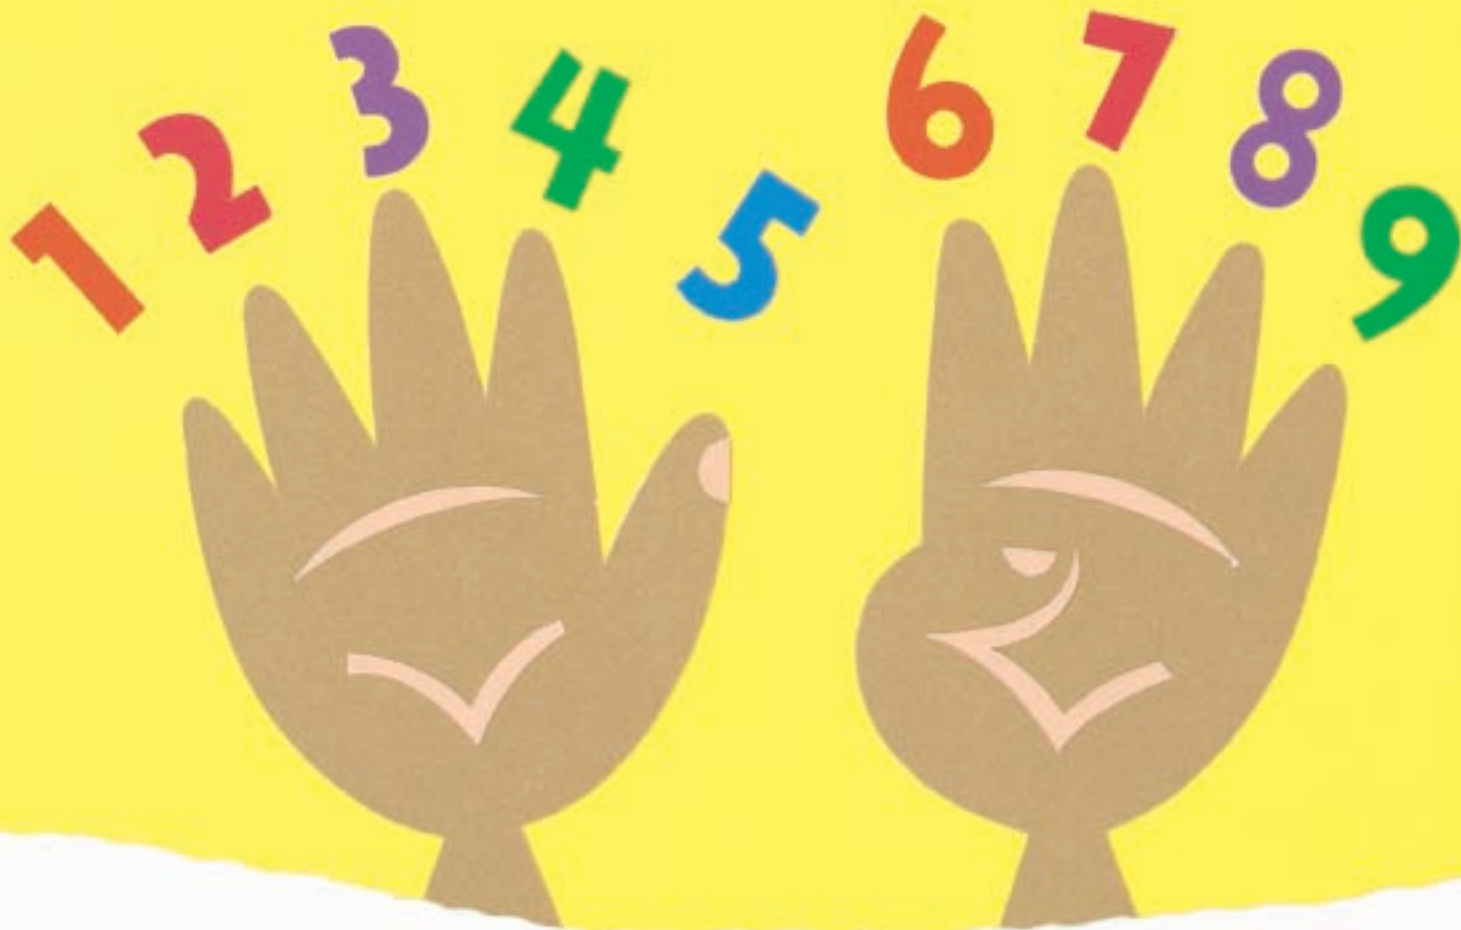

**We'll count the cats
And put them on mats,
And then we'll let them go.**

Oh, a-counting we will go,
A-counting we will go.

We'll count the foxes
And put them in boxes,
And then we'll let them go.

Oh, a-counting we will go,
A-counting we will go.

We'll count the hens
And put them in pens,
And then we'll let them go.

Oh, a-counting we will go,
A-counting we will go.

We'll count the bees
And put them in trees,
And then we'll let them go.

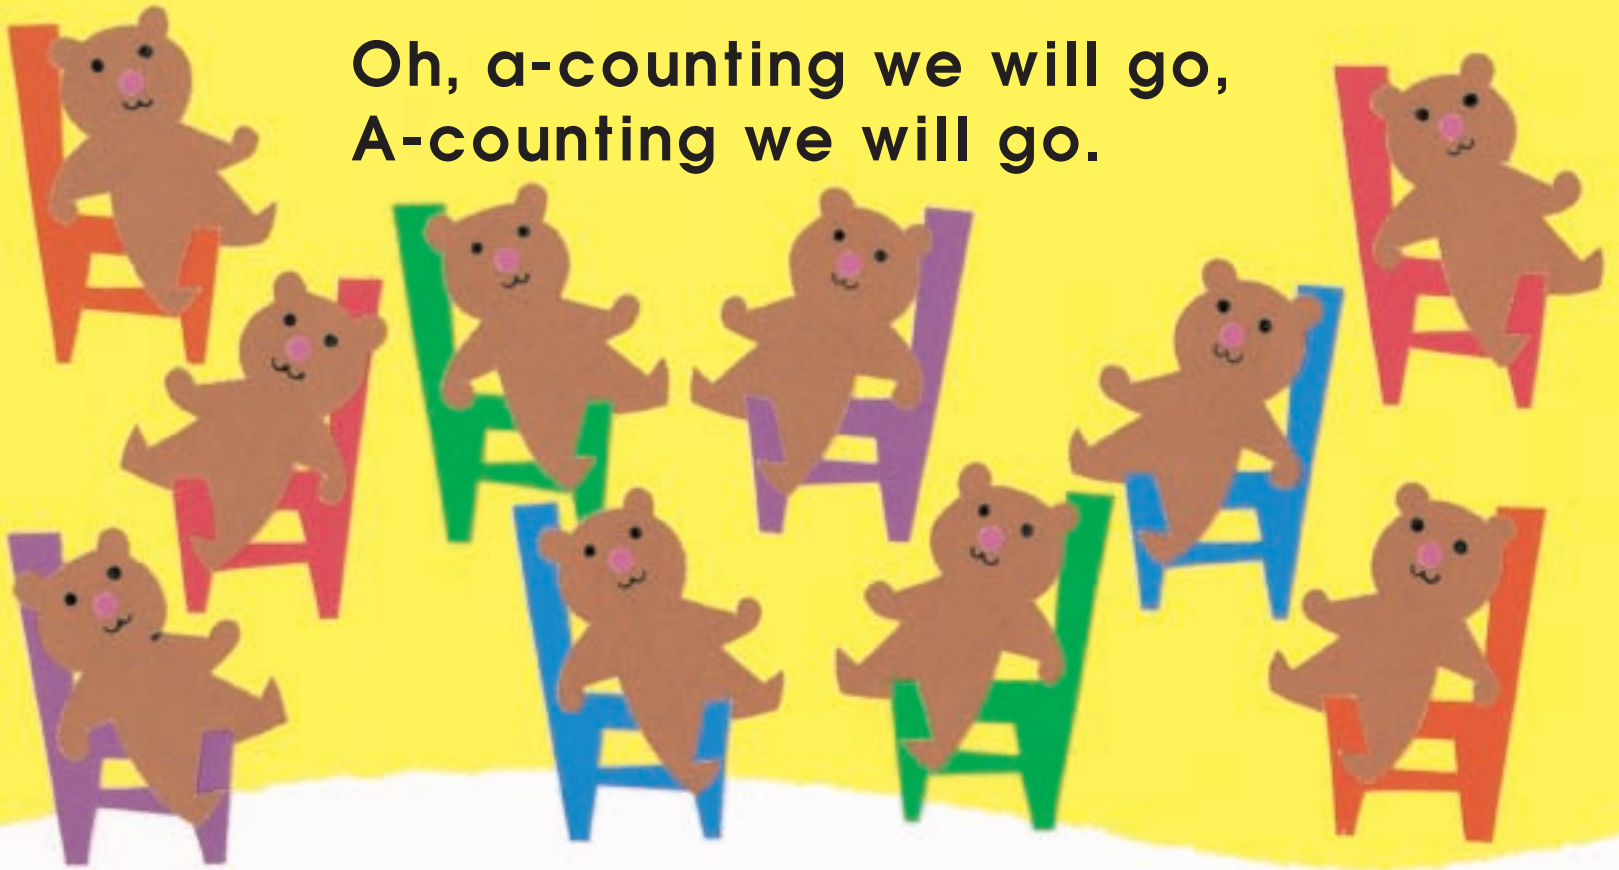

Oh, a-counting we will go,
A-counting we will go.

We'll count the goats
And put them in boats,
And then we'll let them go!

Oh, a-counting we will go,
A-counting we will go.

We'll count the bears
And put them in chairs,
And then we'll let them go!
