

# Little Number Stories

## Addition

**If you have five apples  
and five oranges,**

**what do you have?**

You have ten pieces of fruit.

$$5+5=10$$

If you have

six cookies

and four lollipops,

4 what do you have?

You have ten yummy treats.

$$6 + 4 = 10$$

If you have

five cars,

three trucks,

and two airplanes,

6 what do you have?

You have ten fun toys.

$$5 + 3 + 2 = 10$$

**If you have**

**four red balls,**

**four yellow balls,**

**and two green balls,**

**8 what do you have?**

You have ten bouncing balls.

$$4+4+2=10$$

**If you have ten happy children  
and zero sad children,**

**what do you have?**

You have ten happy children.

$$10+0=10$$

**If you have**

**ten pieces of fruit,**

**ten fun toys,**

**ten bouncing balls,**

ten yummy treats, and ten happy children—  
what do you have?

10+10+10+10+10

**A lot of fun!**

**Now read this book again  
and count by tens!**
