Animals in Nature

We went to the nature center. Our guide showed us animals that live in shells. I held a turtle. The turtle's shell was very bumpy. My sister held a hermit crab. The hermit crab's shell had a sharp point at the end. We could see the

hermit crab's claws. There was a small snail in a box. The snail's shell was very smooth. We watched the snail's head poke out of the shell.

Read the sentences.
Write the possessive.

Have you seen  hat?
Emma

The  ball is under the bed.

Where is the  bone?

 lunchbox is on the table.
Max

Is that the  hay?
