*These activities are more challenging and are ideal to use with gifted and talented students.

Introduction

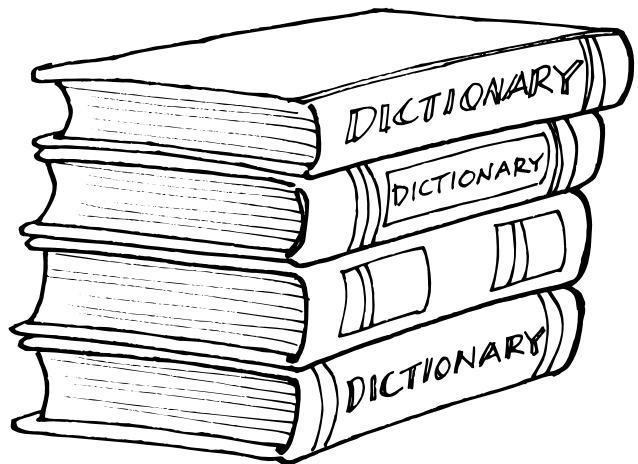

The *Power Practice* series™ contains dozens of ready-to-use activity pages to provide students with skill practice. Use the fun activities to supplement and enhance what you are already teaching in your classroom. Give an activity page to students as independent class work, or send the pages home as homework to reinforce skills taught in class. An answer key is provided at the back of the book for quick reference.

The creative activity pages in *Vocabulary in Context • 5-8* introduces more than 1,200 vocabulary words. These activities are ideal way for helping prepare students for standardized tests and for increasing their vocabulary. Encourage students to use a dictionary as they complete the activities.

The book is divided into seven main sections:

- **Synonyms, Antonyms, and Homophones**
matching activities and using words in context
- **Parts of Speech**
classifying words and matching nouns, verbs, adjectives, and adverbs to their definitions
- **What Would You Do with . . .?**
choosing the best answer for twelve vocabulary words per page
- **Context Clues**
selecting the best definition for an underlined word used in a short phrase
- **Curriculum Vocabulary**
matching and classifying vocabulary correlated to science, social studies, and math
- **Prefix Puzzlers**
matching vocabulary words beginning with prefixes such as *dis-*, *ex-*, *inter-*, *mis-*, *pre-*, *sub-*, and *un-* to definitions
- **Just for Fun**
identifying words correlated to food, sports, phobias, occupations, and more

Use these ready-to-go activities to “recharge” skill review and give students the power to succeed!
