

# Hosting the Olympic Games

The Olympic Games have been played in many countries throughout the world, including France, Australia, Canada, Spain, Germany, Italy, and the United States. It is a great honor to have the Olympic Games in your country.

*Create an Olympic poster to convince the Olympic committee that your country is the best location for the Olympic Games.*

## OLYMPIC POSTER

A large rectangular area with a grid pattern, intended for creating an Olympic poster. The grid is composed of light blue lines forming squares of varying sizes.
