

21st Century Community Learning Centers (21st CCLC)

Goal: To provide academic enrichment for children attending low performing schools, during non-school hours.

What/Who It's For:

- Before-school, after-school, and summer recess enrichment
- Mostly for low-performing schools and high-poverty school districts
- Includes schools, nonprofit community learning organizations, and SES (Supplemental Education Service) providers

Use of Funds

Remedial education activities and academic enrichment learning programs , including those which provide additional assistance to students to increase academic achievement
Reading, Mathematics and Science education activities including hands-on projects
Programs that provide after-school activities for limited English proficient students and that emphasize language skills and academic achievement
Telecommunications and technology education programs
Programs that promote parental involvement and family literacy
Programs that provide assistance to students who have been truant, suspended, or expelled to allow them to improve their academic achievement
Character education programs
